

PRIVACY POLICY

Introduction

With the development of new communication tools, it is necessary to pay particular attention to the protection of privacy. That is why we are committed to respecting the confidentiality of the personal information we collect.

Collection of personal information

We collect the following information:

- Name
- First name
- E-mail address

The personal information we collect is collected through forms and through the interactivity established between you and our website. We also use, as described in the following section, cookies and/or logs to collect information about you.

Forms and interactivity:

Your personal information is collected through forms, namely:
contact form

We use the information thus collected for the following purposes:

- Contact Information

Your information is also collected through the interactivity that may be established between you and our website as follows:

- Contact Information

We use the information thus collected for the following purposes:

- Correspondence

Right of opposition and withdrawal

We are committed to providing you with a right to object and opt out of your personal information.

The right of opposition is defined as the possibility offered to Internet users to refuse that their personal information be used for certain purposes mentioned at the time of collection.

The right of withdrawal is defined as the possibility offered to Internet users to request that their personal information no longer appear, for example, on a mailing list.

To be able to exercise these rights, you can:

E-mail: lamprini.risos@hotmail.com

Telephone: 0032486590026

Website section: www.reponsearmb.com/

Right of access

We undertake to grant a right of access and rectification to data subjects wishing to consult, modify or even delete information concerning them.

The exercise of this right will be done:

E-mail: lamprini.risos@hotmail.com

Telephone: 0032486590026

Website section: www.reponsearmb.com/

Safety and security

The personal information we collect is stored in a secure environment. The people working for us are required to respect the confidentiality of your information.

To ensure the security of your personal information, we use the following measures:

Access management - authorized person

We are committed to maintaining a high level of confidentiality by incorporating the latest technological innovations to ensure the confidentiality of your transactions. However, since no single mechanism provides maximum security, there is always some risk when using the Internet to transmit personal information.

Legislation and regulations

We undertake to comply with the legislative provisions set out in:

https://europa.eu/youreurope/citizens/consumers/internet-telecoms/data-protection-online-privacy/index_fr.htm
